**Interaction  
A Voice for  
Third Culture  
Kids**

Interaction International was founded more than 35 years ago by Dr. David Pollock. He promoted awareness of the needs of third culture kids (TCKs) worldwide. Dave provided care, hope and help to TCKs around the globe and began these seminars in the early 1980s. They grew out of Dave's heart for and care of TCKs. These seminars have provided help and encouragement to thousands of MKs/TCKs from more than 125 countries and 160 different sending organizations

## 2019 SEMINAR DATES

**July 20—26, 2019**

Golden Bell Conference Center  
Colorado Springs, Colorado

Let Interaction help you map out the path to a successful transition through our fun, interactive transition seminar for MKs/TCKs. At previous seminars, TCKs found a real sense of belonging, a safe place to talk through issues or share what was on their heart with friends and staff who understood.

You will leave with new insights, affirmed, encouraged, empowered for the unique and valuable person that you are, and prepared to make choices that will enable you to impact this world. You will have chances to share in small groups, around meals or informal chats with other TCKs and with staff who have a heart to encourage and equip you.

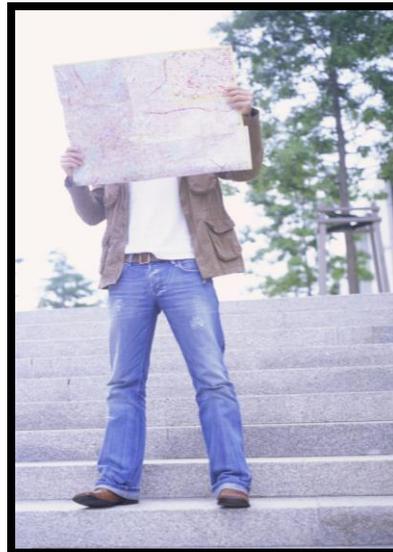

During the seminar, take full advantage of fun activities like ziplining, rock wall climbing, volleyball, swimming, soccer, rappelling or just hanging out with some new friends as you share about your story.
